

TAKE YOUR SKILLS TO THE NEXT LEVEL

To our fellow Washington Motorcycle Rider:

Thank you for your interest in taking your first ever motorcycle skills course.

The included \$100 voucher is valid at any Washington motorcycle training center. Sign up today and get ready to level up your riding this season.

A training course will push the limits of your skills, sharpen your instincts, and give you even more control on the road — so you can get the most out of every ride. Whether you've been riding for a few years, a few decades, or even if you've never been on two wheels, there are beginner, intermediate or advanced skills courses that are made for you.

As a bonus, you'll have a ton of fun and get to meet other awesome riders. And, if you own a motorcycle without the endorsement required to operate it, taking a skills course can lead to getting that endorsement.

This \$100 voucher expires on December 31, 2024, so sign up for a training course today to level up your skills during prime riding season. Here's what to do:

- 1. Find a Training Center:** Scan the QR code  or visit RideSafeRideOn.com/LevelUp to find a training center near you. 
- 2. Find a Course and Open Time:** Visit the training center's website, identify a skills course you want to take, and find a day and time with open spots available.
- 3. Register and Redeem Voucher:** To redeem your voucher, you must call the training center during business hours and complete registration over the phone. Tell the school you have a \$100 voucher from WA DOL and provide the voucher number when submitting your payment information.

Join the 12,000 other Washington riders that level up their skills every year. See you out on the course and on the road!
